

## ***FULL CHAT – July 2024***

This month in Full Chat we have had members attending the Hunstanton Carnival with 4 cars on the stand, which attracted quite a bit of interest from the public.

Next up we are had our July gymkhana at Steve's field with 13 people taking part on 6 tests run twice. Some people had a bit of trouble finding the right direction and cones to go round!! Then Steve got the BBQ going which finished the evening of nicely.

Then on the 7th we had our Classic Car Rally with 70 plus cars starting from Bearts at Stowbridge and making their way to a lunch halt at the White Pheasant Hotel at Lenwade.

Over lunch marshals picked the best dressed crew which was won by car 31 David & Tracey Taylor (mini cooper S mk2) in their flower power outfits.

After lunch crews made their way to Hunstanton for the finish was on the green, teas, coffee and cakes being served in the town hall followed by the awards presentation.

A great day was had by all with a nice ride round the Norfolk countryside, well done to the KL&DMC Team for a well organised event.

Rounding out this month with a club stand at Southey Carnival, we had 7 cars there to support the club, it was a bit of a chilly day for July but we did have some interest from the people attending.

This Thursday is cars at the mill at Bearts Stowbridge from 6.00pm, with some great cars on display.

We also have a club presence at RAF Marham friends and family's day, should be a good day with a mix of aircraft flying on the day.

Our next Gymkhana is on 7th August organised by Dave Pollard, contact him on [davejunepollard@sky.com](mailto:davejunepollard@sky.com) we are looking for competitors and marshals.

Then our next Friday evening Classic Run out is on 9th August contact Adrian at [kldmc.classic@btinternet.com](mailto:kldmc.classic@btinternet.com)

Cheers

*Dave*
