We had some members out on the WAC/CCC Debden Targa Rally 1st Sept David Smalley was on driving and navigating duties, from the driving point his car broke a drive shaft on test 1, David had better luck navigating for Luke Alan they had a great finish of 5th O/A and 1st in class in the Interclub category.

Mathew Smalley was navigating for Gary White but retired at MTC3.

In the clubman's Category Hugh Garnish finished 7th O/A and 6th in class, while David W Ottoway on his first Targa Rally with David J Ottoway navigating enjoyed his drive finishing 12 O/A and 7th in class he is looking forward to doing more Targa's soon.

Well done to Freddie Hewitt who won the R56 Class in the Mini Challenge series, a great result.

Following on from that on 6th Sept we had our 3rd Classic Car Run out, a great turn out with a variety of cars for the *Right Royal Run*. Starting from Kim Cairns at Snettisham and making our way through the West Norfolk countryside ending up at the King Charles III pub in Sporle, with a nice meal to finish the evening off. Well done Duncan and Marian for a well organised event.

On the 8th Sept we had a club stand on the Tuesday Market Place for the Classic Car Day with 7 cars on the stand to promote the club. There was around 200 Classic's on show and some very nice cars there, well worth a look again next year.

Our next event is the Karting evening on 18th with 12 teams fighting it out in a 1hr race, it should be fun.

Then we will be attending the Hunstanton Soap Box Derby, with 3 teams doing Scrutineering and marshals doing timing at the start and finish, we will also have a club stand with 5 cars on show, please come and say hello.
