

FULL CHAT MARCH 2025

This month has been a bit quiet with no 12-car rally because of low entries, but we did have Dale Glover and David Smalley out competing on the Malcolm Wilson Rally in Cumbria, taking the Alfa Sub to finishing 47th O/A and 4th in class G well done on completing this challenging rally.

Our next 12 car rally is on 9th April starting from Runcorn Holme, organised by Adrian Cunningham entries are still available please contact Adrian: - kldmc.classic@btinternet.com

We had our AGM last night a good turn out by members, thank you all for attending.

This weekend is the next round of the circuit tarmac rally championship at Donington Park, we have some members out competing and marshalling to keep the KLDMC flying the flag.

That's all for now.
